Box Non-Fee Amendments (Pats)
Assistant Commissioner for Patents
Washington, D.C. 20231

LETTER TO THE OFFICIAL DRAFTSMAN

Please approve of the amendments to Figures 3B, 3C, and 4B as illustrated in red in the accompanying drawing. Additionally, revised Figures 3B, 3C, and 4B are also attached hereto.

In particular, original Figure 3C incorrectly illustrated a nine pole motor drive conductor array 40. New Figure 3C illustrates an eight pole motor drive conductor array 40 as discussed in the specification. Further, Figures 3B and 3C were amended so that the arrows for the lower longitudinal segment 68B, the left transverse segment 68C, and the right transverse segment 68D indicate the same phase as the upper longitudinal segment 68A. Somewhat similarly, Figure 4B was amended so that the lower longitudinal coil set 70B indicates the same phase as the other coil sets 70A, 70C, and 70D. Support

for the amendments to Figures 3B, 3C, and 4B can be found in the specification at Page 15, lines 29-31. No new matter has been presented as a result of this amendment.

Upon allowance of this application, formal drawings in compliance with the PTO drawing rules will be prepared and presented.

Respectfully submitted,

Steven G. Roeder
Attorney for Applicant
Registration No. 37,227
